

22nd June 2018

Dear Parents/Carers,

Years 6 'Growing and Changing' & 'Reproduction' – Thursday 28th June 2018

It is a requirement of the National Curriculum that Relationship and Sex Education (RSE) is taught to children. In order to fulfil this Donna Moore, a Specialist Health Educator, is coming into school on Thursday 28th July 1.30pm to show a DVD and talk about Puberty, 'How babies are made' and 'How babies are born'.

The talk and DVD is normally followed up with relevant worksheets that the children will bring home for you to look at and discuss with them should you wish to do so. Any issues that arise are dealt with sensitively.

We have arranged with Donna that her contact details are available from school if anyone would like to talk her about the content of the lesson and the DVD shown.

Should you not wish your child to take part in this lesson, please will you inform either myself or Mr Tyrrell.

Many thanks.

Yours sincerely

A handwritten signature in black ink that reads "R Stacey".
