

3<sup>rd</sup> July 2018

Dear Parents and Carers,

Your child has been selected to take part in Young Music on the Marr, an amazing new, lottery funded scheme to bring a broader experience of arts and performance to children at local, rural primary schools.

Music on the Marr ([www.musiconthemarr.com](http://www.musiconthemarr.com)) is a family friendly music festival that takes place annually in the village of Castle Carrock. All accompanied under 16's come for free. This year Music on the Marr (MoM) won National Lottery funding to enable arts professionals to teach new performance pieces to children at Hallbankgate, Great Corby, Warwick Bridge, Hayton Primary and Castle Carrock schools.

The students will rehearse over the summer term and perform together at an additional day of the festival using the festival marquee. One of the schools will be selected to perform to a full festival audience on Saturday afternoon, alongside local and international artists. The lottery funding will also pay towards materials, instruments and transport for the schools.

Parents/carers and families are invited to attend the event on Wednesday 18<sup>th</sup> July, 11 am – 1.30pm approx. Children will need packed lunches and drinks. Tea, coffee and snacks will be on sale for adults in the interval. The selected school will also perform on the Saturday at 3pm.

As part of their funding, the Big Lottery Fund ask that updates and photographs of rehearsals and performances are shared via local news and social media. MoM may use photography and video to publicise the festival, lottery funding and event. Local media may also take photographs and interviews. If this event is successful MoM hope to apply for funding for future years, therefore it is important to show the positive impact this funding has.

Your child will not be involved without your consent. Photography or filming will only occur with the permission of the head teachers and under the strict supervision of teachers.

Please complete the form below, this form will be retained by your school, Music on the Marr will not hold any of your children's data.
