Wisdom Begins in Wonder!

## School's Out!

**And another year is finished!** And what a year it has been. We hope you managed to join us for the open evening on Tuesday and feel as proud of your child's achievements as we are.

This year we focused on science and outdoor learning: we had a fabulous science week which saw visitors from all over the country come in and speak to the children. We also entered our school garden in the 'Cumbria in Bloom' competition where we were judged to be in the 'thriving' category.

We had very successful residential trips to two new places this year; Year 4 visited a Kingswood site in Hexham whilst Class 4 went to Edinburgh. Both trips provided the children with memories they will treasure forever! We have also seen our children gain in confidence and leadership skills - our Rotakids not only went along to a local meeting where they displayed their public meeting skills but they also went to Lancaster for a schools conference. Meanwhile at school our own School Council continues to raise money for the Friends as well as support Ms Stacey with Friday Star assemblies.

All in all another very busy! A quick glance through our twitter feed (@castlecarrock) reminds us of just how busy we have been!

We are also saying goodbye to Mr Munn this year (although I hope he will come back to see us next year!) - and we congratulate Mr Kirby on the successful completion of his first (Newly Qualified Teacher) year as a teacher! We look forward to next year - where we are focusing on sport and challenges - and will stay in touch via social media over the summer!

Don't forget to take a look at the children's newspaper which was sent home with the children this week for all of their news.

Have a good break!

The parents, the staff and of course the pupils all work so hard to make our school the special and happy place it is.
