

Class 4

11th September 2019

Dear Parents/Carers,

Welcome back! I hope you've all had an enjoyable summer.

As we get back and adjust to our routines, we will be focusing on our topic of Tudors and London in humanities, looking at how our capital city has changed and developed from 1485 through to modern day.

Our PE sessions will be Wednesday afternoons and Friday mornings this term, so I would appreciate it if all children had their PE kit with them on these days with their names written on in permanent marker or sewn in labels. As ever, there are a number of competitions throughout the year which we will keep you posted on. This half term we will be starting with netball in our PE.

The children all have reading diaries and, even as they get to Year 6, it is really important that they read every day. You can note any queries or questions in here as well.

Finally we also make use of Google Classroom in Key Stage 2 – this is an extension of Google Drive. There is information on the school website regarding how we use google, and your child will be part of a classroom which they can access to via the google classroom app.

If there are any queries you have about anything, please come and speak to us at the gate at home time or, if it is more convenient, you can arrange to come in and speak to me.

Thank you very much

A handwritten signature in black ink that reads "R Stacey".
