

4<sup>th</sup> June 2020

Dear Parents and Carers,

Let me begin by thanking you for your patience and understanding this week. We have been working very hard behind the scenes to ensure that our school is as safe as it can be for both the children and the staff.

The governors met yesterday to discuss the risk assessment and to review the steps that the school has taken - a letter from the governors will be forthcoming shortly.

**The decision has been taken open on Monday for vulnerable children and the children of key workers only, 9am - 3pm Monday to Friday.**

You can find more information as to who is eligible under this category here:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

It is to be noted that there are considerable changes to how the school will operate when we reopen - and it is imperative that you read the information below carefully. In addition, once you have booked a place for your child there will be a home-school agreement which must be discussed with your child, and signed, before they come into school.

Please get in touch if you have any further questions - I will be in school on Friday from 11am and available by telephone should you wish to call and discuss any queries.

Regards
