

1st March 2021

Dear Parents,

I am looking forward to school reopening next week on Monday 8th March and for us all to come back together again. There will be more information sent to you this week to outline and confirm the arrangements, however I anticipate that things will remain much the same as before. As lockdown eases over the next few weeks we will continue to update you with any changes that this may bring.

If you would like to return any work that your child has completed then I will leave a box by the school gate on Monday morning for you to place it in. Please can you return the plastic zip wallets, small plastic boxes and also any other resources that you may have borrowed from school as these can be reused.

The weekly learning grid will be on the school website this morning and provides you with links to the Class Google Site where you will find all the resources linked to the planning. The activity work sheets are there to use if you would like them – please keep any work that your child completes whilst at home. If you would like me to comment on any completed activity then please upload it to Tapestry, or you can send it via email.

Please note that there is a change to our Zoom meetings this week. Our Class 1 Zoom meetings will take place on **Tuesday and Wednesday** morning at **9.30 am**. The link for these is the same as before: 883 865 5459 Password : rainbow. **Please note that there is no Zoom meeting this Thursday morning.** Zoom Assembly with the whole school will take place on Thursday at 2.30pm.

It will be World Book Day this week and I have added a link on this week's planning grid to the Scholastic website that has some free resources and activities to use throughout the week. On our Wednesday Zoom meeting your child can dress up as a story/book character if they would like to. They can also choose a favourite book to show us and talk about – or they could draw a picture of their favourite character from a story to show us.

Please continue to upload photographs and comments for your child to Tapestry - I will always reply to your posts and it enables us to communicate with each other. I am available via email, or by phone if you prefer, so please don't hesitate to contact me if you need anything. Many thanks to you all for your ongoing support during this time and I look forward to seeing you all next week!

Many Thanks,

Mrs Grayson
