

Dear Parents/Carers,

15th September 2021

As you are aware, the Class 2 topic this half term is the Great Fire of London and, having spoken with the children who remember older siblings doing the same, we would like to recreate a street scene of house from 1666.

It would be great if you can support your child by helping them at home to make a model of a house, using an old shoe box or other form of cardboard. (See picture for example).

The plan would be for your child to bring their house into school during the week commencing **October 11th** so we can create a display for the whole school to see.

The following week, the last before half term, we shall recreate the Great Fire of London and burn the houses (in a safe and controlled way, of course) on the playground (so please bear that in mind when creating the model).

I have some spare boxes at school if anyone needs one. Please just let me know or ask your child to ask.

Many thanks for your co-operation,

Mrs Helliwell
