

Dear Parents/Carers,

22nd November 2021

RE: Key Stage 2 Christmas Production, 6pm Tues 7th December 2021

The Christmas Production this year is a 'school' take on the classic Dickens' A Christmas Carol.

Each child has a part in the play now - and some are also understudies - over the next week or so we hope to be 'script' free and so would ask you to support your child in learning their lines. Particularly the older children who tend to have larger parts. We will send home this week ideas for their costume - and would appreciate your support in this - although where possible we will try and source props in school. Some of the children have already had excellent ideas for their costumes, it's a good opportunity to encourage their creativity.

The play takes place at **6pm** on the **7th of December**. We are hoping to have dress rehearsals that week. We would very much love to have an audience for the play - but we are mindful of Covid Restrictions and so would ask you to limit the number of guests to **two per family** (please complete the slip below to reserves places) - and to wear a mask where possible. We will produce a recording of the play and each family will be given **one** copy.

If ticket requests are low, we will be in touch so you can get request more.

I hope that all makes sense, and, as ever - if you need anything please get in touch.

Regards

Rebecca Stacey
Head Teacher
