

Friday 18th November 2022

We have had a busy week which started with us celebrating what makes us all unique by wearing odd socks for Anti-Bullying week. We have also had a great day today wearing spots/pyjamas for Children in Need. We are looking forward to next week and can't wait for our Christmas tree to arrive!

Press Pause Day and Open Morning – Monday 21st November (9:30-10:30am)

On Monday 21st November we have decided to Press Pause for the day; we will be taking a step back from new learning to focus on the children's mental health and well-being. The theme for the day is 'wear something that makes you feel happy!'

We will also be showing the England football match for those children who would like to watch it.

Queen Bee Class Assembly Thursday 24th November 3pm

Family and friends from the Queen Bee class are welcome to join us to find out what Queen Bee Class have been learning.

Decorate the Christmas tree and light switch on – Friday 25th November 2:30pm

Everyone is welcome to join us at our decorate the Christmas tree assembly; festive refreshments will be available at the end of our assembly. This will also include our end of month Un-bee-lievable Achievers Assembly.

Class News

Honeybee Class

Honeybees have had great fun this week learning and practising nursery rhymes as part of National Nursery Rhyme Week. After a straw poll that took many twists and turns, it was decided that their favourite nursery rhyme is B-I-N-G-O!

In maths, the focus has been on 2D shapes, recognising circles, triangles and squares and spotting them on everyday objects. We also all enjoyed baking some delicious cakes and biscuits for Children in Need and loved coming to school in our pyjamas and spotty clothes.

Bumblebee Class

This week Bumblebees have come to the end of our writing unit of 'Short Stories' together we completed a shared write where the children shared some fantastic ideas and really supported one another. They are now on their way to writing their own short story called 'Wednesday'.

Queen Bee Class

This week in Queen Bees, we have using figurative and descriptive language to build content for our War Poetry writing. In Maths we have been learning how to multiply numbers using efficient written methods.

Elsewhere in the curriculum, we have been learning how to use OS maps online and planning an electricity experiment in Science - busy bees!

Reminders:

Monday 21st November Open Morning 9:30am -10:30am – this is for all children who are starting nursery/reception in 2023 as well as the children/families who attend the village toddler group.

Tuesday 22nd November CET Year 6 Netball Tournament

Wednesday 23rd November Bumblebee Cinema trip Penrith

Friday 25th November CET Year 6 Matilda premier viewing

Yours Sincerely

Miss A. Carroll
Head of School
