### Headteacher's Headlines

What a lovely week we have had in school this week. Within Science, the Acorns have been investigating the question: if you have big feet does it mean you have big hands? Year 5 and 6 pupils looked at materials and investigated reversible and irreversible changes.

Year 3 & 4 pupils had a such a fantastic morning at William Howard School taking part in a taster trampoline session, thank you to Mrs Holliday for facilitating the morning. CUFC were back in school this week delivering sport sessions across the school including fundamental movement with KS1 and dodgeball with KS2. It is such a busy term and we have got lots to look forward to.

Warmest Wishes,  
Sarah
