Headteacher's Headlines

Another lovely week at school! Children had a great Monday morning with Fraser Conn from Cumbria Cricket delivering a taster session for the children within school – It went down a treat and we will be looking to book in more sessions!

Acorns have had a super week and enjoyed various activities including tasting different foods as part of their science lesson which included olives, peppers, crackers, mango and grapefruit!

Thank you to all children who attend our extra-curricular clubs. Baking club is extremely popular and this week they enjoyed making cheesecake. The children are also enjoying singing club and of course Mathematics!

Due to the extreme weather during storm Eowyn, we had to make the decision to close school on Friday as we didn't deem it safe for pupils and staff to travel or be in. Thank you for your understanding during this time.

We look forward to seeing everyone back at school on Monday.

Warmest Wishes,
Sarah

Tuesday 28th January Hearing – Reception

Hearing screening with reception children will take place on Tuesday 28th January.

Friday 31st January Parents Monthly Assembly

We look forward to our first Parents assembly of the year. The children in each unit will be sharing all the wonderful things that they have been learning this month. All welcome.

Friday 31st January Year 5 Transition Day at William Howard School

Thank you to William Howard for hosting our Year 5 children for a taster day next week. Children will be transported from school on the William Howard School Minibus to and from Castle Carrock.
