

Headteacher's Headlines

Another fantastic week has flown by in school! Our Year 6 boys took a very well-earned break from all their recent hard work and enjoyed a fantastic walk up Talkin Fell. We are incredibly proud of their determination and resilience, and we wish all of our Year 6 children the very best of luck in their SATs next week. Meanwhile, some children did a fantastic job representing Castle Carrock at the Year 3 and 4 tennis competition at Chatsworth, showing great teamwork and sportsmanship throughout. The children also enjoyed a super morning at the Tarn, making the most of the outdoors.

Warmest Wishes

Sarah

Parents Safeguarding

Neurodivergent children are often early adopters of technology, making supported online experiences especially important.

Our latest [#WakeUpWednesday](#) guide helps parents and educators understand how to create safe, positive digital environments.

It explores key considerations, including:

- Modelling responsible online behaviour
- Setting age-appropriate boundaries
- Encouraging open and supportive conversations
- Understanding emerging risks such as AI-generated content

The guide also highlights the importance of balancing screen time with offline activities to support wellbeing and development.
