

Headteacher's Headlines

It has been an extremely hot week, and we have been so impressed with how well the children have coped with the high temperatures. Thank you to everyone for your support at our fantastic Sports Day, and a special thank you to CUFC for helping to provide such a wonderful event. The smiles and excitement during the lap of honour clearly showed how proud the team were of their victory! Finally, we would like to wish the very best of luck to all of the children who are taking part in the Lanercost race on Saturday—we hope you have a fantastic time and enjoy the experience.

Warmest wishes

Sarah

Parent Safeguarding

Sports betting has become increasingly visible online, appearing across apps, websites, social media, sports coverage and gaming spaces.

Even when young people are not legally old enough to gamble, they may still encounter betting messages through adverts, influencers, tipsters, friends or adult accounts.

Our latest [#WakeUpWednesday](#) guide highlights key risks, including:

- Easy online access
- Gambling becoming normalised around sport
- Peer and influencer pressure
- Free bet offers
- Impulsive spending and chasing losses

It also offers practical advice for parents, carers and educators on starting calm conversations, setting safer digital boundaries, spotting warning signs and finding support.
